## Art & Design

Art and Design encourages creativity and imagination, whilst inspiring learners to engage with their own ideas of what art is to them and build confidence in their ability. Our Art and Design workshop aims to provide rich and diverse settings and subjects from which to develop their artistic skills.

~~~~~

### Outline:

From trains to trees and stations to scenic views, this art-based workshop will take you on a journey along the railway where industry and nature meet. Allow your artistic flair to come alive on this creative walk amongst local heritage and the natural world. Choose your canvas: paper, a pebble, a leaf... Experiment with texture, colour and pattern using a critical eye to create a masterpiece.

### Learning Outcomes:

#### KS1

- Use drawing and painting to develop and share ideas, experiences and imagination.
- Develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space

#### KS2

- Develop artistic control and experimentation skills.
- Improve their mastery of art and design techniques, including drawing and painting with a range of materials [for example, pencil, charcoal, paint.
