## FAQs

### Where can I board the 'Haworth Haddock'?

Everyone boards the 'Haworth Haddock' at Oxenhope Station (BD22 9LB) where there is ample parking in the station car park or the overflow car park just a short walk away.

### How long is the journey?

Our trains depart Oxenhope station at 7:15pm, for two round trips on the railway, returning at about 11.15pm. Food is usually served around 8:15pm. Passengers using public transport may choose to leave the train at Keighley for connections with the national rail network.

### Is the 'Haworth Haddock' accessible to people with disabilities, or restricted mobility?

The KWVR has a specially adapted coach, which will normally be used on the 'Haworth Haddock'. However, spaces are strictly limited so we suggest you book well in advance to secure your place and let the booking team know in advance of your needs. For more information, email us: admin@kwvr.co.uk.

### What facilities are available on board the train?

One of our award-winning buffet cars will be on each Fish & Chip special, serving hand-pulled real ale, as well as a variety of alcoholic and soft drinks, including fruit drinks suitable for children. Limited toilet facilities are available on-board the train.

### Do you cater for vegetarians?

Yes. When you book online, you simply tell us how many vegetarians are in your group and we will do the rest - our normal vegetarian alternative is a cheese and onion pasty with peas.

If you have other special dietary requirements we will try and accommodate them where possible, but please telephone before booking and we will be happy to discuss them.

### Can you provide gluten free alternatives?

Unfortunately, sadly, we can no longer provide gluten free fish and chips, as our local fisheries will no longer provide this option for the Haworth Haddocks.

### At what age do I have to pay for children on the 'Haworth Haddock'?

Small children (under the age of 5) travel free on the Fish & Chip Specials, but they will not be allocated a seat or a meal. If you have two young children with you, they may share a meal, but only one seat will be allocated per child ticket purchased.

### Can large groups be accommodated on the 'Haworth Haddock'?

Absolutely. We have coaches which can seat up to sixty-four people and offer complimentary reservations. We can also sometimes make special arrangements to accommodate your party, so please email us at admin@kwvr.co.uk

### Will there be any entertainment?

Yes. All 'Haworth Haddocks' will feature live entertainment on the platform at Keighley. There is a canopy over most of the platform, so even if it rains, you can have a little boogie in comfort! Check the date to see which band will be playing when you travel.
