Terms and conditions

Railcards are available to residents in the BD20, BD21 & BD22 postcodes. A Railcard is only valid for use by the person whose photograph appears on it. A Railcard must be shown on each journey, whether requested or not. If these conditions are not met, the ticket is not valid. A Railcard is not valid if defaced in any way. The Railcard entitles the holder to reduced fares on the Keighley & Worth Valley Railway, as may be advertised from time to time. The Railcard is not valid on any other transport undertaking. Up to THREE accompanying children (aged 5 to 15) may travel with the holder at reduced fares. Children wishing to travel unaccompanied may purchase their own Railcard, subject to the same terms and conditions as stated herein. Note that child only Railcards do not offer any discount for accompanying adults or children unless they have a valid Railcard. Reduced fares are not available on certain special event days (such as Santa etc.) or certain special trains (dining trains etc.). Reduced fares are not available for accompanied adults who do not have their own Railcards. The Railcard remains the property of the Keighley & Worth Valley Light Railway Ltd. and may be withdrawn at any time.

Lost or damaged Railcards will not be replaced. Full terms and conditions are available at our website. The company's standard Conditions of Carriage apply to all tickets.
