

## **Oliver Harrison**

My name is Oliver Harrison, I've been a volunteer for 6 and 1/2 years. I started in the young persons group age 13 and worked my way up through the stations department, now I am a qualified Fireman, Guard and Crossing Keeper.

I hope to be able to help and support the railway in important decisions and projects, as someone who wants to see the railway operating well into the future and encourage more young people to get involved.
