Dear Rob,

Re: Cameron James Sheehan

As a long-standing member of the Keighley and Worth Valley Railway (membership 20523134), I am proposing Cameron James Sheehan to stand for election as a Director of the Keighley & Worth Valley Railway Preservation Society Ltd.

I have known Cameron for over four years, and consider he has honesty and a direct communication style. He isn't afraid to speak his mind, which ensures that all perspectives are considered and discussed. Cameron's straightforward approach is rooted in a genuine desire to see progress and improvement and foster a culture of transparency and open dialogue.

In summary, Cameron's dedication, perspective, honesty, and resilience make him an excellent candidate to join the KWRPS Board as a Director. I am confident that he will bring a positive and proactive approach to the role, contributing significantly to our shared goals and initiatives.

Yours sincerely,

Jason Carlton
